

mushroom tray

sculptural furniture side and accent tables

extra white | velvet grey | deep black
aluminium

Minimalistic and sculptural,
these objects can be used as occasional or end tables,
in pairs or alone.

Their distinctive silhouette is effortlessly stylish making
a soulful statement. The warmth of the base is
complimented with the hard metal finish rim detail of the top tray.
They are designed to be matched with finishes in unity
with lighting and accessories from the Alentes collection

Made from our own aggregate of stone, marble and cement.

Mixed and poured by hand, the tables cure and
are then assembled and sealed with a protective coating.

High in durability, these objects are near care-free.

Slight variations in size and color are due to the use of natural materials
and to the handmade nature of our products - each is unique.

All our cement casting furniture

are treated with a specialized matte varnish
which makes surfaces non-absorbant .

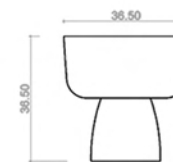

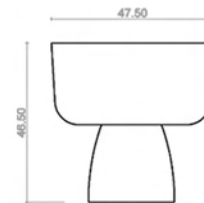

The MUSHROOM SOLID tables come in two sizes.

The detachable top trays
are made from hand spun metal with cast concrete infill.
They come assembled ready to be placed.
