

Kion

pots

Made from our own aggregate of stone, marble and cement. Mixed and poured by hand, this piece is hand sanded and finished.

High in durability, these objects are near care-free. Slight variations in size and color are due to the use of natural materials and to the handmade nature of our products - each is unique.

All items are handcrafted in our workshop, pairing high end quality standards with great personal care.

handmade designed + made by Alentes in EU

The KION pots come in three sizes

tall
D25 H74
