## moon

wall mirror

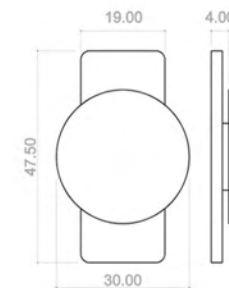

extra white | velvet grey | deep black  
clear mirror | brass mirror | copper mirror

Minimalistic and sculptural,  
this composition of two basic shapes  
makes a bold and graphic statement.  
Its simple and distinctive silhouette brings  
an architectural tone to an interior.  
The warm tones of the cement cast base  
combined with the hard surface of the mirror  
make it a perfect fit for both a classic and a modern setting.

Made from our own aggregate of stone, marble and cement.  
Support components are included.  
Slight variations in size and color are due to the use of natural materials  
and to the handmade nature of our products - each is unique.

The MOON wall mirror comes in one size,  
and is assembled ready to be placed.
