L I M I T E D E D I T I O N

Drawing upon our love for sculpture and architecture,
these hanging pieces feature a subtle overlap shape.
This piece is designed to add
geometry and ambience in space

Made from our own aggregate of stone, marble and cement.

Slight variations in size and color are due to the use of natural materials
and to the handmade nature of our work - each is unique.
It comes in two relief sets : horizontal & vertical.
