piedi table

accent table

white | black

Simple and elegant,
this table can be used as side, end or accent table,
Suitable for indoors and outdoors.

Made from our own aggregate of stone, marble and cement.
Mixed and poured by hand, the table is then assembled and
sealed with a protective coating. High in durability, this object is
near care-free. Slight variations in size and color are due to the use
of natural materials and to the handmade nature of our products
- each is unique. All our cement casting furniture are treated
with a specialized matte varnish which makes surfaces non-absorbant
thus making them suitable of outdoor use.

The PIEDI table comes in one size,
and in one piece ready to be placed
