Playing with function and sculptural form  
Alentes presents a series of statement everyday  
objects, vessels and pots in three colors.  
The simple yet distinctive silhouettes of these bowls  
bring an architectural tone to any setting.

Made from our own aggregate of stone, marble and cement.  
High in durability, this object is near care-free.  
Slight variations in size and color are due to the use of natural materials  
and to the handmade nature of our products - each is unique.  
All items are handcrafted in our workshop, pairing high end  
quality standards with great personal care.

The CATCHALL bowl comes in two sizes.
