

# mushroom solid

sculptural side and accent tables

soft white | deep black

Minimalistic and sculptural, these objects can be used as occasional or end tables, in pairs or alone. Their distinctive silhouette is effortlessly stylish making a soulful statement. The warm tones of the material combined with the gentle curves of its form make it a perfect fit for both a classic and a modern setting.

Made from a our own aggregate of stone, marble and cement.

Mixed and poured by hand, the tables cure and are then assembled and sealed with a protective coating.

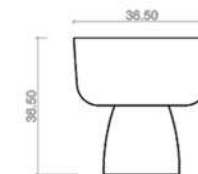

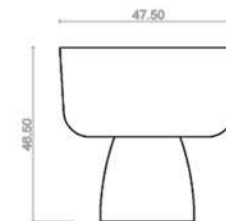

Slight variations in size and color are due to the use of natural materials and to the handmade nature of our products - each is unique.

All our cement casting furniture are treated with a specialized matte varnish which makes surfaces non-absorbant thus making them suitable of outdoor use - place under covered area, standing water not recommended.

They come in two sizes, and are assembled ready to be placed.
